Lead the Way

Become a Good Government Group Ambassador

Join HCA Healthcare leaders, partners, and community advocates working to advance smart, patient-centered public policy.

The Good Government Group Ambassadors program empowers stakeholders to support policies that **protect access to affordable, high-quality healthcare and strengthen healthy communities.**

As an Ambassador, you will receive periodic updates, including:

- Resources to stay informed
- Policy and advocacy updates
- Actionable steps you can take to make an impact

Why Healthcare Advocacy Matters

Access to quality, affordable healthcare is essential to strong families, a healthy workforce, and resilient communities. **Public policy plays a critical role in ensuring patients can get the care they need.**

What's At Stake

Healthcare policy impacts:

Access to care and coverage

Affordability for families and employers

Outcomes for patients with chronic conditions

Workforce stability and economic growth

Community health and well-being
